

# All Apologies

Torres

What else should I be? All apologies  
What else should I say? Everyone is gay  
What else should I write? I don't have the right  
What else should I be? All apologies

In the sun, in the sun, I feel as one  
In the sun, in the sun  
Married, buried

I wish I was like you, easily amused  
Find my nest to salt, everything's my fault  
I'll take all the blame, aqua seafoam shame  
Sunburn, freezer burn, choking on the ashes of her enemy

In the sun, in the sun, I feel as one  
In the sun, in the sun  
Married, married  
buried, buried

All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are  
All in all is all we are
