Torres

I know what you expect
You expect to be first
You claim what you didn't earn

Is that what you deserve?
Is that what you deserve?

Don't sleep yet
My hunger's whet
I've laid the ground
Now I'm makin rounds

Want to know what's next?
Colossal success
Justice is coming
Know it and relax

Did I hit a nerve?
Did I hit a nerve?

I am nothing you've seen before
I am the way forward
I am the water of life
I am the angel of death

I'm here to collect
I'm here to collect
