

## Forever home

Torres

Born to the swamps and the cypress trees  
Florida baby just like me  
Few screws runnin' loose in the family

Baby girl McConnell  
Was all they wrote on the certificate of birth  
Half a name  
No shoes, no shirt  
The void is not your only friend  
Baby girl will bring you in  
Give you a name

A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home

Drinkin' black coffee by age three  
'Cause there wasn't much to eat  
She claims she's only short because of caffeine

Baby girl McConnell  
Was all they wrote on the certificate of birth  
Half a name  
No shoes, no shirt  
The void has always listened  
But baby girl will bring you in  
Give you a name

A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home  
A name of your own, a forever home
