

# **Songbird forever**

**Torres**

I am your king  
I am your queen  
I am everything in between  
I can sell you anything  
You'll believe anything I sing  
I am a songbird forever  
Songbird forever

You and me  
You and me

You and me  
You and me  
You and me  
You own me  
You own me

Songbird forever

You and me  
You and me  
You own me  
You own me
