

Thirstier

Torres

You want someone to worship you
I see you loving to watch me risk it all
You think you're always right, but
You love watching me try proving you wrong

Baby, keep me in your fantasies
Baby, keep your hands all over me
The more you look, the more you'll see
As long as I'm around, I'll be lookin' for nerves to hit
The more of you I drink, the thirstier I get
Baby, baby

I know I wear you out, I'm never sleepy
I'm sorry for all the times I made you feel guilty for sleeping
easy
But you get hot when I show you how devout I am
I walk the walk and I show off just how proud I am

Baby, keep me in your fantasies
Baby, keep your hands all over me
The more you look, the more you'll see
As long as I'm around, I'll be lookin' for nerves to hit
The more of you I drink, the thirstier I get
Baby, baby

I'll admit that sometimes I'm afraid that you'll still run
Aim and shoot your arrow at a new obsession
But if I've got permission to stay under your skin
You'll never want another love as long as you live

Baby, keep me in your fantasies
Baby, even though you live with me
The more I look, the more I see
As long as I'm around, I'll be lookin' for nerves to hit
The more of you I drink, the thirstier I get
Baby, baby

As long as I'm around, I'll be lookin' for nerves to hit
The more of you I drink, the thirstier I get
Baby, baby
