

# Save It

Tory Lanez

Lil mama you know how I  
Always want you to, prove it  
Lil mama you know how I  
Always want you to, prove it  
Lil mama you know how I  
Always want you to, prove it  
Lil mama you know how I  
Always want you to, prove it  
Lil mama you know how I  
Always want you to, prove it

Tell me you're still poppin' on the low  
You found you somebody and I know  
Tell me you need time all for yourself...  
Tell me you're still poppin' on the low  
Cause late night I still drop in on the low  
He just took you shoppin', girl I know  
Don't let him buy his way up in it  
You know that I can't let no nigga get one up on me, no no  
And you know this shit  
So how could you give him what you gave to me? No, no  
Cause what I did was whack but you don't get me back like that, girl no

I was all the way in it  
And my heart was way in it  
And now it's hard to stay in it  
The pride is all gone  
Only reason we fuckin'  
It's cause I know that you love him  
And back then you let him one up on me, girl  
I know that he just doesn't cut it  
Ain't nothin' gon' change you back to the girl  
I used to fuck with  
Can't believe that you done let another nigga get what's mine  
Can't believe that you done let another nigga get what's mine

Tell me you're still poppin' on the low  
Girl you got someone that doesn't know  
He can have your sex, I got your soul  
Just don't give that to no one else, oh no  
Straight like this, tonight we fuck to my shit, call me up  
Because the reason why them niggas just can't hit it right  
They wasn't blessed with my dick, straight like that  
You can say, ain't gotta lie, girl, no  
Cause when we fuckin' I'm in it  
Goin' all the way in it, snapping my feelings  
It ain't my props, just offending, I'm goin' off girl  
For the nights that you fronted  
Man you told me you love him  
But how could you love him?  
You know when we fuckin', I'm deep in that sea

I drop OZs in my blunt  
44 from down the way  
It's that nigga, it's that nigga  
That you know from down the way  
Shawty got somebody else  
But that someone isn't me

Now you want expensive taste  
Girl that shit just isn't free  
I stay lowed up, I stay rolled up  
In that thang on the low  
Girl you're different  
You don't even act the same way no more  
Girl I know you're movin' on  
I don't want you movin' on  
Girl how long have you been gone?  
What the fuck have you been on?

I was all the way in it  
And my heart was way in it  
And now it's hard to stay in it  
The pride is all gone  
Only reason we fuckin'  
It's cause I know that you love him  
And back then you let him one up on me, girl  
I know that he just doesn't cut it  
Ain't nothin' gon' change you back to the girl  
I used to fuck with  
Can't believe that you done let another nigga, get what's mine  
Can't believe that you done let another nigga, get what's mine

Down on it, yeah  
Love it when you spin 'round on it, yeah  
Even though you know that, down on it, yeah  
Love it when you spin 'round on it, yeah  
Even though you know that, down on it, yeah  
Love it when you spin 'round on it, yeah  
Even though you know that, down on it, yeah  
Fuck around and spend time on it, yeah  
Love it when you spin 'round on it, yeah  
That's why I came back, top down  
Even though you know that  
You gon' have to do more than just say it  
You gon' have to do less when you do it  
Lil mama you know how I show it  
Always want you to prove it  
You gon' have to do more than just say it  
You gon' have to do less when you do it  
Lil mama you know how I show it  
Always want you to prove it  
And you know, you know  
And you know, in this foreign car whippin' out  
And you know, you know  
And you know, in this foreign car, let you go  
Gots to break it down for you  
To let you know you know the things I'm down for  
Ain't going act like you ain't 'bout  
My door you know ain't open girl you know I'm down for  
Take your time to find you out  
Won't hesitate to take the time to waste no baby  
Streamin' out, the foreign out to play  
You know it's things it takes  
Down on it, yeah  
Love it when you spin 'round on it, yeah  
Even though you know that, down on it, yeah  
Love it when you spin 'round on it, yeah  
Even though you know that, down on it, yeah  
Love it when you spin 'round on it, yeah  
Even though you know that, down on it, yeah  
Fuck around and spend time on it, yeah

Love it when you spin 'round on it, yeah  
That's why I came back, top
