I wanna put you in seven positions for seventy minutes, you'll get it babe  
You got a lot on your mind, and I want to ease it up and lick it and slip it  
in  
You do a light scream on the ice cream when I scoop it and dip it in  
Unzipping her tight jeans, and the feminine hygiene is magnificent  
Tryna show you girl, I'm different  
I get to licking and sticking and licking and sticking  
Until the pussy get too wet and it's dripping and  
Splitting both them legs like dividends  
If it ends up how I want then you'll end up sitting all over my bottom lip b

The feeling of fucking you, feelings all up in you, make it hard for you to  
bottle 'em baby  
This dick is too big just to swallow it baby  
But still you like it like it's Thanksgiving and you gobbin', gobblin', gobblin',
