

You Thought Wrong

Tory Lanez

(CashMoney AP)

Just in case
You thought that I wouldn't get down
I got so many of them on the rebound
You thought that I wouldn't get down
I got too many, too many, ah
Just in case
You thought that I wouldn't get down
Gotta keep it real with you I thought you were down
You thought that I wouldn't get down (you were down)
You thought that I wouldn't get down (super down)
You thought that I wouldn't get down (you were down)
You thought that I wouldn't get down

2K on my Saint Laurent (Saint Laurent)
Spent a few K on my latest charm (latest charm)
Did you see what I put on my baby, ah
These rocks so big, it look like it's from Flintstones
And my bitch bad
Gave you all my love
And you sent it back
Now I got a new thang who don't be on mood swings
Who be on that new thang, got at least two thangs on her

Just in case
You thought that I wouldn't get down
I got so many of them on the rebound
You thought that I wouldn't get down
I got too many, too many, ah
Just in case
You thought that I wouldn't get down
Gotta keep it real with you I thought you were down
You thought that I wouldn't get down (you were down)
You thought that I wouldn't get down (super down)
You thought that I wouldn't get down (you were down)
You thought that I wouldn't get down

Probably, when I think I need some Hennessy
Baby girl, you're fucking up my energy
Get in that pussy so good, you gon' remember me
Know I put that screw all on the top
I get that lean, baby, hop in that Beam, baby, yeah-ah
I'm inbetween baby, like me and the v, yeah-ah
Jimmy Iovine, baby 'cause you know that I got you in the scope
And I'm popping when I got it in the door
Smoking presidential, got it in the smoke, oh yeah
Baby, we got big shit to do
I'ma rich nigga, you can join a rich nigga crew if you is
Count money 'til your wrist switch to blue
It's a cash money game, baby, fast money game
And I still got my ex-girl calling
I'm just out here balling
Took my brand new ting out to Miami just to spoil her (yeah)
Switch it up, rip it up, flip it up, took my bitch out the to the garden
'Til when you see me balling with the shawty, know it's

Just in case
You thought that I wouldn't get down
I got so many of them on the rebound
You thought that I wouldn't get down
I got too many, too many, ah
Just in case
You thought that I wouldn't get down
Gotta keep it real with you I thought you were down
You thought that I wouldn't get down (you were down)
You thought that I wouldn't get down (super down)
You thought that I wouldn't get down (you were down)
You thought that I wouldn't get down

That's a fucking fact
But, it's all good, though
'Cause, you know what I'ma do?
No, real shit, you know what I'ma do?

I'ma keep, I'ma keep motherfucking balling
I'ma keep, I'ma keep motherfucking balling
All y'all stupid ass hoes, y'all been falling
All y'all stupid ass hoes, y'all been falling
I'ma keep, keep balling
Alright, cool
