Who to blame?

Closer

Anytime

Together

Closer, closer

Closer, closer

Closer, closer

Closer, closer

Who to blame?

It's all gone wrong

This town is too much for me, please, no more

Anytime

You're stressed out now

Just take my hand and tell me it's all good

Who to blame?

It's all gone wrong

This town is too much for me, please, no more

Anytime

You're stressed out now

Just take my hand and tell me it's all good
