

## Alone

Toto

I woke up Sunday morning  
Another twenty years gone by  
Pulled myself out of my bed  
It's getting harder every time

Grabbed my phone but there's no messages at all  
Then I realized there's no one left to call

Woah woah  
Seems like things ain't what they used to be  
Woah woah  
Can't cry anymore  
I'm alone  
Woah woah  
Where did everyone go?

I drive to work every morning  
And no one looks me in the eye  
It feels like love just left the world  
And I can't help but wonder why

I had that dream again where I begin to fall  
And on the way down learned the meaning of it all

Woah woah  
No things ain't what they used to be  
Woah woah  
Can't cry anymore  
I'm alone  
Woah woah  
Where did everyone go?

I fell asleep last night and woke up in the fall  
Turned my head and blinked and now there stands a wall

Woah woah  
Seems like things ain't what they used to be  
Woah woah  
I can't cry anymore  
I'm alone  
Woah woah  
Where did everyone go?  
Woah woah  
Where did everyone go?
