

Just say the word and I'll be on my way,  
regardless of the time, it's just how I was made.

To explain; I'm here for a reason so make use of me.  
I'm hungry and I'm thirsty so I hope you'll be joining.  
My Father is a helper but my Father made mistakes.  
I see myself in him as I'm a product of his ways.

Or maybe I just like the attention.

You can stay here tonight, I won't ask any questions.  
Don't call it polite, it's just a suggestion.

Please stay here tonight.  
Please stay here tonight.

I'd be a liar if I said I was ready for this.  
I have a past and a poison, that I can admit.  
But this is what I need to bury the years of debris  
to break the circle of the cycles and stop living vicariously  
and start living for me.
