

## Steps

Touché Amoré

Over and under  
I'll dissolve and use charm as my cover  
Left over right, walk a careful line  
Between you and the outside  
There is confidence and delusion  
I reside between that confusion  
It's a misstep down a black hole  
It's a long way down and a mouthful

So overcome and become one  
So over...

Over and under we learn to grow  
And we learn to recover  
Over and out  
I'll play the card that holds me in less doubt  
There's promiscuity and devotion  
And only one fulfills an emotion  
It's a big step to end a yearning  
It's accepting love but I'm learning

To overcome and become one

I'll find my way and  
Follow through  
And maybe there I'll...  
Find my way and  
Follow through  
And maybe there I'll...  
Find my way and  
Follow through  
And maybe there  
I'll meet you
