

## Ready or Not

### Tourniquet

A step in the wrong direction (Prov 4:14-15)  
is one more step closer to hell (Prov 16:25)  
Avoiding the vital confession  
you're under the enemies spell  
Just as a dog will return to his vomit (2 Peter 2:22)  
some have returned to their wicked old ways  
Not even knowing that God becomes jealous  
hearts will stop beating (Luke 21:26)  
when people hear Him say... (Rev 16:17-21)  
Ready or not - Hear I come! (Luke 17:20)  
For heaven's sake what are we doing?  
Most of us don't even know  
'He's coming back' isn't forever  
So, get ready if you wanna go (Rom 12:1-2)  
A.S.A.P.! Say goodbye to the devil (Jas 4:7, 1 Peter 2:11)  
selfishness, ego, and greed (2 Ti 3:1-5)  
Soon you will see  
this is no laughing matter  
Freedom will end  
when the great I Am says...  
Ready or not - Here I come!  
What on earth could you possibly be thinking?  
No one has the guts to let you know  
It's about time you put away your finger  
Cuz the church is not our model of perfection (Ez 28:12)  
Just as a dog will return to his vomit  
Some have returned to their wicked old ways  
Not even knowing your heart has been hardened  
Your tears will be bleeding  
You wake up and your friends are gone (Luke 17:34)  
Ready or not - Hear I come!
