

In a permanent dream state  
stumbling in the dark  
you walk thru life asleep  
Confusion overwhelms you  
lives only what you see  
Your eyes look glassy  
wandering aimlessly  
you've fallen down the stairs  
is there anyone to help you  
find your sanity  
Blessed is the man  
who dwells in the unapproachable light (1 Ti 6:16)  
It will open a window  
that empties the darkness of your soul  
There was a rich ruler  
who mourned his daughters death  
In faith came to the Lord  
He said if you will only touch her  
I know that she will live  
But when the master saw her  
He said that she's asleep  
the crowd just laughed at Him  
He said ARISE!  
She heard and she obeyed  
(Matt 9:18-19, 23-26)  
Blessed is teh man  
who dwells in the unapproachable light  
it will open a window  
that empties the darkness of your soul  
If you walk in the light  
as He is in the light  
He will purify us (1 Jn 1:7)  
Somnambulism  
get away from me!
