Tove Styrke

Seven-inch ride like that  
We could get high like that  
Look at this body looking all godly  
I could be all you need  
All your wild fantasies  
Look at this body sweeter than honey

One million diamonds don't shine as bright  
Yeah, you got me losing my mind, and

I won't ever let you go  
Baby, it's all hardcore  
Go make my heart explode  
I want you hardcore

Baby, it's only one life right now  
I could just die right now  
Baby, so classic  
I'm all up in your magic  
I could be yours to keep  
Pretty please on your knees  
Come a little closer  
Deeper than an ocean

One million diamonds don't shine as bright  
Yeah, you got me losing my mind, and

I won't ever let you go  
Baby, it's all hardcore  
Go make my heart explode  
I want you hardcore

Baby, it's yeah yeah, hardcore  
Yeah yeah, hardcore  
Baby, it's yeah yeah, hardcore  
Yeah yeah, hardcore

Baby, it's
