

# On the Low

Tove Styrke

I don't wanna hold up, I don't wanna slow down  
I'm tryna like you less, don't make sense to me  
I don't wanna wait up, I don't wanna waste time  
Just want you and I, with no space in between

Maybe I've been spending way too many nights with you  
And I never shoulda intertwined with you  
But what the hell am I supposed to do?  
Maybe we should leave it as it is  
But I'm gonna end up so miserable  
I can't shut it down, shut it down, down

'Cause you and me  
We're too damn good to let it be  
And I don't wanna keep it on the low, low, low, low, low, low  
I don't wanna keep it on the low, low, low, low, low, low  
Yeah, you and I  
We're too damn good and I can't lie  
I don't wanna keep it on the low, low, low, low, low, low  
No, I don't wanna keep it on the low, low, low, low, low, low

Why you need space now?  
I don't wanna zoom out  
Now, what's wrong with you being close to me? (yeah, yeah, yeah)  
Oh, why you wanna play it cool?  
It's gonna make me hate you, me too  
Sorry, I'm just saying what I feel (oh, oh)

But maybe I've been spending way too many nights with you  
Having way too many good times with you  
But what the hell am I supposed to do?  
Maybe we should leave it as it is  
But I'm gonna end up so miserable  
I can't shut it down, shut it down, down

'Cause you and me  
We're too damn good to let it be  
And I don't wanna keep it on the low, low, low, low, low, low  
On the low  
No, I don't wanna keep it on the low, low, low, low, low, low  
On the low  
Yeah, you and I (you and I)  
We're too damn good and I can't lie (I can't lie)  
I don't wanna keep it on the low, low, low, low, low, low  
On the low  
No, I don't wanna keep it on the low, low, low, low, low, low

Maybe I've been spending way too many nights with you  
Probably never shoulda intertwined with you  
Maybe we should leave it as it is  
But I'm gonna end up so miserable  
And I can't shut it down, down

'Cause you and me (you and me)  
We're too damn good to let it be (let it be)  
And I don't wanna keep it on the low, low, low, low, low, low  
On the low

No, I don't wanna keep it on the low, low, low, low, low, low  
On the low  
Yeah, you and I (you and I)  
We're too damn good and I can't lie (I can't lie)  
'Cause I don't wanna keep it on the low, low, low, low, low, low  
On the low  
No, I don't wanna keep it on the low, low, low, low, low, low
