

I want the best for you, breakfast in bed for you  
Just to be next to you every day  
And if you can handle it, here's my Los Angeles  
I'll make the plans for us every day, every day

'Cause I got ideas in my fantasy  
You just fly here, start a family

Fuck my life, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
I might die, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)

Swear when you get here, that I'll always let you drive  
Drag you to exercise every day  
Sit on the couch and watch Jennifer's Body  
Tell you she's hot and then say that I'm sorry  
I'm sorry

And when it's over, let the credits roll  
Pull you closer, take off all our clothes

Fuck my life, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
I might die, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
I'm not alright, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
Fuck my life, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)

(Ooh-ooh-ooh-ooh-ooh-ooh)  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
(Ooh-ooh-ooh-ooh-ooh-ooh)

Fuck my life, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
I might die, 'cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
I'm not alright, 'cause I can't live without you (And I'm so scared I might  
lose you)  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
Fuck my life, 'cause I can't live without you (Without you)  
(Ooh-ooh-ooh-ooh-ooh-ooh)

Fuck my life  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
'Cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
Fuck my life  
(Ooh-ooh-ooh-ooh-ooh-ooh)  
'Cause I can't live without you  
(Ooh-ooh-ooh-ooh-ooh-ooh)
