

# I Love That Girl So Much

Tower of Power

The sun rise  
and I look into the eyes  
of my baby (my baby, my baby)  
a new day begins  
with a loving kiss  
from my baby (my baby, my baby)

one look into her eyes  
and it ain't no surprise  
that I love that girl  
I love that girl  
I love that girl  
so much  
It's nice to go for a ride  
as long as I'm beside  
my baby (my baby, my baby)  
just ... the breeze  
doing just what we're pleased  
me and my baby (my baby, my baby)

as natural as can be  
that girl and me  
and I love that girl  
I love that girl  
I love that girl  
so much  
It's not hard to believe  
just how much I need  
my baby (my baby, my baby)  
she's everything and more  
than a guy could hope for  
my baby (my baby, my baby)  
As rare as a pearl  
she's got my mind world  
but I know that girl's  
in love with me  
and that's the way  
it's supposed to be  
cause I love that girl  
so much

I love that girl  
I need that girl  
Oh, she's everything the way  
she sure inspires me  
everyday and night  
and I love that girl  
hear what I say  
see I love that girl  
uh, yeah  
you better believe that  
cause she's everything to me
