

# When Love Takes Control

Tower of Power

Standing in the pouring rain  
Another day that looks the same as yesterday  
Thinking bout her all the time  
No matter what I do it just won't go away  
Like the way she lays her head upon my shoulder  
A little piece of heaven when I hold her

When love takes control  
There's no escaping  
What everyone knows  
When love takes its toll  
Even though the best of hearts  
Yet still we surrender our souls

Just can't seem to let it go  
Looking back I should have known we wouldn't last, oh  
Fell in love recklessly  
Couldn't see that we were moving way too fast, oh  
We only knew we had to bond together  
That what we had was sure to last forever (Forever) Oh

When love takes control  
There's no escaping  
What everyone knows  
When love takes its toll  
Even though the best of hearts  
Yet still we surrender our souls

(When love takes control)  
When love takes control  
(Love takes its toll)  
It truly takes its toll now  
(When love takes control)  
Oh when love takes control  
(Love takes its toll)

I don't feel any wiser, only older  
It's just the living things I wish I told her (I told her)

When love takes control  
Oh, there's no escaping  
What everyone knows  
When love takes its toll  
Even though the best of hearts  
Yet still we surrender our souls

(When love takes control)  
When love takes control  
(Love takes its toll)  
Truly takes its toll now  
(When love takes control)  
Yeah when love takes control  
(Love takes its toll)

Takes its toll  
Oh, yeah
