

You're So Wonderful, So Marvelous

Tower of Power

Oh
(Doot do do do do doot) oh oohh oh oohh oh
(Doot do do do do do doot) oh
(Doot do do do do do doot do doot) C'mon Mimi

I love the way that you walk
The way that you talk
Really knocks me out
Girl the clothes that you wear
The style of your hair
The way that you fare
Under all conditions
You're mine all of the time

You're so wonderful, so marvelous
Girl you're everything to me
And you're super fine
I'm so glad you're mine
You're fabulous to say the least

I love the way that you smile
Makes my life seem worthwhile
Makes me oh so proud
Oh the way that you wink
The way that you think
The way you maintain
Under all conditions
What a find you're one of a kind

You're so wonderful, so marvelous
Girl you're everything to me
And you're super fine
I'm so glad you're mine
You're fabulous to say the least

Ooohhhh oh
(You're so wonderful)
And I know
(You're so marvelous)

I know that you'll always be there
Cuz I know that you care
You're so understanding
I know that you're willing to share
You've always been more than fair
You're my regular inspiration
(I love the way that you kiss)
(And I know that we just can't miss)

You're so wonderful, so marvelous
Girl you're everything to me
And you're super fine
I'm so glad you're mine
You're fabulous to say the least

You're so wonderful, so marvelous
Girl you're everything to me

And you're super fine
I'm so glad you're mine
You're fabulous to say the least
