Addicted (Interlude)

Towkio

Oh no, no, no
No, no, no (swear that I'm not)
No, no, no (we often addicted)
No, no, no

I swear that I'm not, I swear that I'm not
I really been sippin' a lot
It's only because my plug got it in stock, that lean and that ' yac
I say that I'm fine and really believe in that lie
Do you believe in a God?
I'm just speakin' my mind, I'm just speakin' my mind

We often addicted (I swear that I'm not, I swear that I'm not)
We often addicted (I swear that I'm not, I promise I'm not)
We often addicted (promise I'm not, Mama, I promise I'll stop)
We often addicted
