

## Disco

Towkio

Hey, uh, baby I messed up  
[?] looking up, I'm tryna make a good first impression  
I said, "ooh thank the Lord 'cause I swear that he blessed ya"  
And I just seen you from the back, I'm tryna see where you headed

All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco

'Bout to hit the disco for a lil change of tempo  
I pull up in a limo, you can smell the smoke out the window  
Don't try to run no game up on me, girl I'm not no Nintendo  
'Fore they play a limbo, bending backwards, I'm influential

I said these bitches, yea them bitches down to kick it with that  
And if she acting right, we'll prolly give 'em passes backstage  
She tryna go and take pictures and brag up on Instagram and  
Try go and brag to her friends, well I got a lil change of plans and

All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco

I said these bitches at the disco with they lights and they purses and  
They rock the tiniest skirts, I hope it was worth every meal and  
Now they feet hurt from their heels, girl you go go try and get drunk and  
Go 'head and try you some drugs, after this, go find you some fun

I need a [?] geek, freak in sheets, underworld queen and  
We goin' out: me and her  
We come back: her, her, and me  
And I'm at the disco where you see all of your wildest dreams and  
We do the wildest things and  
We'll keep it our little secret

I got that lady, oh my God (Going to the disco, yea)  
Yea we love 'em, yea (We going to the disco)  
See, y'all rule the world (Going to the disco, yea)  
Pussy rule the world (We going to the disco)  
Yea, rose divine, yea (Going to the disco, yea)  
See, you ain't gotta stand in line, yea yea  
If you know where you at, yea  
Okay, so, can I uh... break it down one more time?

All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco  
All these bitches headed to the disco, disco

Aye, shawty, shawty, what's up?  
(What's up?)  
What's up with you? W-what you and your friends on?  
(Nah we leaving this weak as club)  
Damn for real?  
(I recommend you not to go)

Damn, we supposed to have bottles and shit, but, like, my homie left his ID  
uh... you know but where y'all going though?  
(Nah, we going to this popping ass disco)
