Work 4 Me

Towkio

I'm a boss, yeah I get that shit at cost, yeah
I'm a boss, yeah I get that shit at cost, yeah
I'm a boss, yeah I

I said baby come and work for me ay, come work for me
Get your weed and get your syrup for me, I get that shit at cost
You ain't heard of me, it's mister get 'em in and get 'em off
I'm the plug, I employ 'em all, you talkin' to a boss

I said baby come and work for me ay, come work for me
You should come and work for me ay, come work for me
You should come and work for me ay, come work for me
You should come and work for me ay, come work for me

I said I got your girl with me and she crumble and burn
I'm off that lean and them xannys, I don't think it's enough
See I don't shop with other boy 'cause I know all they work cut
And if take an L I'll be back up in less than a month
Some D.A.'s pull through the front and then we dip out the back
And we get them girls off them drugs and them girls don't know how to act
And I probably front you a pack, little man cuttin' 'em out
And then we leave him with some boomers if he runnin' his mouth
Money come in large amounts and it get so much I can't count it
So I'ma fuck around round it, yeah I might need me some help
You could tell me a story, you say your man he annoying
I told her baby I'm a boss, he could be my employee

So come and work for me ay, come work for me
You should come and work for me ay, come work for me
You ain't heard of me, it's mister get 'em in and get 'em off
I'm the plug, I employ 'em all, you talkin' to a boss

I said baby come and work for me ay, come work for me
You should come and work for me ay, come work for me
You should come and work for me ay, come work for me
You should come and work for me ay, come work for me

Get that shit at cost yeah
Said I'm a boss, yeah I get that shit at cost, yeah
I'm a boss, yeah I get that shit at cost, yeah
I'm a boss, yeah, yeah, ay

I'm a young boss man, young entrepreneur
I got that product to the consumer, now business is boomin'
Bought that product cross the water just to prove I could do it
I went from the starter to owner, now the coach is recruiting
Yeah I'm a hustler babe, they just serve to break even
I sell Meek's album to Drake or I sell that fish to a vegan
I'm 'bout to open up shop, but that be at your expense
'Cause I swear I'm gross with the shot, so that means it's nothing but net
I'm 'bout to come and collect
Fuck you and rob your connect
And if we got some problems have some goons right at your address
And I mean I'm really impress, where they don't be talking at all
So come and work for the company, come and talk to a boss

I said come and work for me ay, come work for me

I said baby come and work for me ay, come work for me
You ain't heard of me, it's mister get 'em in and get 'em off
I'm the plug, I employ 'em all, you talkin' to a boss

I said baby come and work for me ay, come work for me
I said baby come and work for me ay, come work for me
I said baby come and work for me ay, come work for me
I said baby come and work for me ay, come work for me
