

When She Don't Need Me

Townes Van Zandt

When she don't need me, it makes me crazy
She say, rest easy and it makes me lazy
But when she please me, she please me all night long

My friends are leavin', she say, don't worry
They're only leavin', there is no parting
You will be lonely, I will be here with you

On the winds of darkness, the light is soring
And chains are bonded, freedom is singing
Cling to the darkness until you've turned to song

Well, the blues shall wash me and sun shall dry me
The world will hide me but she will find me
And when she find me, she will take me home

Well, when she don't need me, it makes me crazy
She say, rest easy and it makes me lazy
But when she please me, she please me all night long
