

Rat Eater

Toxic Holocaust

Feeding our fear with the meat of a rat
Trapped in a cave you've been given
Living a life on your knees
Mentally rot in your prison
A sentence like a disease
Rat Eater

The vermin you eat is feeding the sick
Stocking up flesh to be eaten
Nauseous just from the smell
Never seen locks in this prison
Choosing a life in a cell
Rat Eater

Crawling, make your way
Moving on through the sewers of hell
Anguish and misery
They built us up now suffer the fall

Cruelty has made your path
Like a rat you're stuck in a cage
Sadness and misery
Choke it down you suffer and suffer
