

## Salvation Is Waiting

Toxic Holocaust

Approach the coming hour  
Pining for death  
Handing him over your life  
Trusting with mercy  
He fills you with hope  
Death will be painless and quick

Transformation's calling or will you fucking rot?  
Inside the coffin or live eternally?

Peace you are seeking  
And death is a friend  
Onward into a new plane  
Heaven only an action away  
A martyr paying the price

Trust yourself in his hands  
End it all, take the final step  
Push through and witness the meaning of life

Salvation's waiting  
Waiting for your soul  
Hungry for your blood  
Give it to 'em all

Salvation's waiting  
Waiting for your blood  
Hungry for your soul  
Give it to 'em all
