

## Parasite

### Toxic Narcotic

Sucking on your host no sense of wrong or right, no self respect you lie just to survive, I can see right through you and I know your type, I cant stand you parasite, what makes you think you have the right to rob us blind and suck us dry, survival based on theft and lies, yeah I'm pissed and you know why, why fuckin work when you can just take, life is really hard or so you try to fake, we've all had it rough what makes you think you're great, why cant you pull your own weight!
