

Feeding Frenzy

Toxik

The rules of the game have been changed in a way
The only direction is down

Mindlessly hoarding, sworn to supporting
The coin of the realm and the crown

Feeding frenzy
Eat it
Feeding frenzy
Kill it
Feeding frenzy
Fuck it

Right to this day
Indebted we pay
For the living they said we must earn

In the pool with the sharks
Blind in the dark
Exploited eternal we burn

Feeding frenzy
Eat it
Feeding frenzy
Kill it
Feeding frenzy
Fuck it

Close your eyes and step through this door
Walk away, feel no more
Immerse yourself in eternal sleep
From this hell, you I keep

Feeding frenzy
Eat it
Feeding frenzy
Kill it
Feeding frenzy
Fuck it
