

Fiery Jack

Toy Dolls

Oh! I woke up with a backache
Backache! Backache!
I thought I ought to go to the first aid tin
Where I found something for my backache
Backache! Backache!
I rubbed in some cream and started to scream!
Oh no!

Fiery Jack Fiery Jack
It's red hot on your back
Fiery Jack Fiery Jack
Believe me it does knock
Fiery Jack Fiery Jack
It's red hot on your back
Fiery Jack

Now I had a back ache on me backache
Backache Backache!
I jumped into the bath full of cold water
The Fiery Jack had made me backache
Backache Backache!
I'm worse than before I can't take anymore
Oh no!

Oh! If you do get a backache
Backache backache!
And you feel you have to reach for the first aid tin
Think! Life's not that bad with a backache
If you see a tin with Fiery Jack in
Stay away...

It's red hot... on your back... on your back
