

# I Wish My Eyes Were Ernie's

Toy Dolls

She looks so divine and I can't see  
Why she prefers that nerd to me  
How come she ain't mine, I wanna be  
I wish that I could be Ernie

I've got the blues, if I could choose  
Then I would be in Ernie's shoes oooo  
Who's he, Ernie  
It would be my only chance  
If I were wearing Ernie's pants  
I wish my eyes were

I wish my eyes were Ernie's, I wish it could be true  
I fantasize I have the eyes of Ernie's to see through  
And if my eyes were Ernie's, then I would not be blue  
Coz if my eyes were Ernie's, my eyes would be with you

Her hands in Ernie's as she walks by  
It's gone way too far my mind  
I'm shakin' at the knees, she looks so fine  
How comes Ernie's bird ain't mine

With Ernie's arse and Ernie's chest  
In Ernie's under-kegs n' vest  
I wish my eyes were, I wish my eyes were

I wish my eyes were Ernie's, I wish it could be true  
Coz if my eyes were Ernie's my eyes would be with you

I would never let her go, if I were only Ernie oh  
I wish my eyes were...

I wish my eyes were Ernie's, I wish it could be true  
I fantasize I have the eyes of Ernie's to see through  
And if my eyes were Ernie's, then I would not be blue  
Coz if my eyes were Ernie's, my eyes would be with you

I wish my eyes were Ernie's, I wish it could be true  
I fantasize I have the eyes of Ernie's to see through  
And if my eyes were Ernie's, then I would not be blue  
Coz if my eyes were Ernie's, my eyes would be with  
Eyes would be with  
Eyes would be with you
