

"Terry Talking"

Toy Dolls

Terry is a recluse, he's a misfit
Terry never goes out, he's a hermit
Yeah a lonely lonely dude

Terry won't answer the phone or the door
And we don't see Terry no more

No-one can contact Terry anymore
A life of solitude

Hello... this is Terry talking
Terry talking, talking all alone
Hello... this is Terry talking
On the answer phone... Terry's not at home

Terry is a plonker, Terry is a nut
Locked in the house with the curtains shut

No-one can contact Terry anymore
A life of solitude
Yeah he's a lonely dude
