

# Asshole

Trace Adkins

I don't care if you're from Texas  
It might surprise you to know  
And I don't care if your great-great granddaddy  
Was a Confederate hero  
And I don't care if you're from Hollywood  
Just as enlightened as you can be  
You're still an asshole to me

I don't care if you quit drinking  
And go to meetings twice a week  
You say you've found your higher power  
You're so clean now and you're sweet  
Now that you're clear and sober  
It sure is sad to see  
That you're still an asshole to me

You can put an asshole through Harvard  
Sit him behind the wheel of a shiny Corvette  
And ship him off to charm school  
What do you get?  
You get a rich (rich)  
Charming (charming)  
Educated  
Asshole

And you say you love your mama  
Well that's good, good for you  
It wouldn't surprise me to learn  
That she's an asshole too  
I don't care if you're a judge  
On some singing show on NBC  
You're still an asshole  
You're still an asshole
