Trace Adkins

Ain't no whiskey in this glass
Try not to smoke too many cigarettes
I stay away from Mary Jane
These are my choices

Ain't gonna judge you if you do So don't you judge me if I don't I got my reasons, my demons and my past But hey the truth is Yeah the truth is

I get high
Drivin' down the freeway
Just knowin' that it's Saturday
And I got no place to be
I get high
Standin' in the spotlight
No words for what it feels like
When you sing these songs back to me
If you ask me now
I'll tell you this is how
I get high

Sometimes this world can be too much Somedays I feel like bein' out of touch And I see a sunset that takes my breath away And I find hope again Set there and drink it in I get high Drivin' down the freeway Just knowin' that it's Saturday And I got no place to be I get high Standin' in the spotlight No words for what it feels like When you sing these songs back to me And if you ask me now I'll tell you this is how I get high

I get high
Standin' in the spotlight
No words for what it feels like
When you sing my songs back to me
And if you ask me now
I'll tell you this is how
I get high
Yeah this is how I get high
