

Maintenance Man

Trace Adkins

Let me tell you about my girl

She don't wear diamonds, she don't wear pearls
She don't care nothin' 'bout this material world
Draped in my kisses, cloaked in my love
I keep it comin' 'cause she can't get enough and I say

Tell me what you want
Tell me what you need
C'mon, tell me what you want
Baby, I'm just here to please
Tell me what you want
And I'll do what I can
High maintenance woman
I am her maintenance man

Maintenance man, baby
Let tell you what happens

I get up early and I punch the clock
Here comes my baby and she's ready to rock
She's a sexy vixen, and I ain't no fool
When she needs fixin', I run, get my tools, and I say

Tell me what you want
Tell me what you need
C'mon, tell me what you want
Cause baby, I'm just here to please
Tell me what you want
And I'll do what I can
High maintenance woman
I'm my baby's maintenance man

Maintenance man
Let me fix that for you

Tell me what you want
Tell me what you need
C'mon, tell me what you want
Cause baby, I'm just here to please
Tell me what you want
And I'll do what I can
High maintenance woman
And I'm her maintenance man

Tell me what you want
And I'll do what I can
High maintenance woman
I'm my baby's maintenance man
Maintenance man
They call me the maintenance man
Cause I can fix it girl
Tell me what you want
