

## Say No to a Woman

Trace Adkins

I wouldn't own a suit, much less a tie  
Sunday would still be a part of Friday night  
And Jesus wouldn't be a friend of mine  
If I could say no to a woman

I never would've chased that crazy dream  
Those kinda odds would've seemed too long for me  
I'da had to settle for plan b  
If I could say no to a woman

She saw me better than I thought I was  
She offered her heart and all her love  
And I don't know where I'd be today  
If I could say no to a woman

I bet I wouldn't live in a little suburb house  
I probably wouldn't be somebody's daddy now  
And they wouldn't be all I think about  
If I could say no to a woman

She saw me better than I thought I was  
She offered her heart and all her love  
And I don't know where I'd be today  
If I could say no to a woman

Yeah she saw me better than I thought I was  
And all she wanted was all my love

She saw me better than I thought I was  
She offered her heart and all her love  
And I don't know where I'd be today  
Yeah, to tell the truth  
She makes it hard to say  
No to a woman  
I can't say no to that woman  
I can't say no  
To that woman
