

# Something's Going On

Trace Adkins

A little darker shade of red  
Lipstick  
A different kind a sway  
In those hips  
Yeah  
Something's going on  
Higher heels and tighter skirts  
It seems  
There's a little more skin  
In-between  
Yeah  
Something's going on

She's never been good  
At keeping secrets  
I'm gonna get down  
To the bottom of this  
Turn down the lights  
And spend the whole night  
Finding out  
All I should  
Yeah, something's going on  
And it sure feels good

Every kiss is gettin' closer to  
That place that makes her scream  
The truth  
Yeah  
It ain't gonna be long

She's never been good  
At keeping secrets  
I'm gonna get down  
To the bottom of this  
Turn down the lights  
And spend the whole night  
Finding out  
All I should  
Yeah, something's going on  
And it sure feels good

She's dancing down the hall  
Shaking out her hair  
In nothin' but her heels  
Now it's all right there

And she's never been good  
At keeping secrets  
I'm gonna get down  
To the bottom of this  
Turn down the lights  
And spend the whole night  
Finding out  
All I should  
Yeah, something's going on  
And it sure feels good
