Wether You Fall

Tracy Bonham

Whether it's the sunshine whether it's the rain
Doesn't make a difference 'til you complain
Whether it's the water coming in from the roof
Does it piss you off that you're not water proof?

Whether you fall means nothing at all
It's whether you get up it's whether you get up

And you hate the silence as it fills up the room
And there's not much to say to your blushing groom
Maybe all eyes are on you as you finish the race
And the world sees you struggling for last place

Whether you fall means nothing at all
It's whether you get up whether you get up
