

## I Am Yours

Tracy Chapman

When all my hopes and dreams  
Have been betrayed  
I stand before you  
My hands are empty

I am yours  
If you are mine

When I fall and stumble  
Flat on my face  
When I'm shamed and humbled  
In disgrace

I am yours  
If you are mine

When voices call me  
To question my faith  
When misperception  
Taints my love with hate

I am yours  
If you are mine

When time decides  
It won't stop for me  
When the hawks and vultures  
Are circling

I am yours  
If you are mine
