

Nine Tails

Trade Wind

Come sit at my table
Go right off the rails
Gone
These things they never last long
They never last long but
I don't want to be nobody
No wind in my sails
Stay right on my trail
Go slow
Because if you're a bird
Then I'm in the worm
Sift through my details
You and
Your nine tails
Wrong, wrong, wrong
So Stop singing my song
Stop singing my song 'cause
I don't want to be nobody
