

Hard to reach you  
Give me a sign  
Underneath you  
I'll die

I can feel you  
From the inside  
You're pollution  
You can't hide  
No, you can't hide

But you and I both know the truth  
And sometimes the best love  
Is the one that strangles us  
And with you on my mind  
I haven't taken a breath in such a long fucking time

Hard to reach you  
Hard to reach you

But you and I both know the truth  
And sometimes the best love  
Is the one that strangles us  
(The one that strangles us)  
And with you on my mind  
I haven't taken a breath in such a long fucking time

Hard to reach you  
Give me a sign  
Underneath you  
I'll die
