Trade Wind

Stay awake for now, it's almost morning
Find your way around this dark room quietly
'Cause I don't want to go right now
No, I don't want to go right now
Don't make me

Just want to wait til I see the sun to fall asleep
Is it crazy for me to think "Come with me"?
Oh, when you're around it's hard to see things clearly
It's in the way you make everything disappear

'Cause if you have to leave
If you have to leave
Oh, if you have to leave
Yeah, if you have to leave
Then take me
