

Callin Me

Trae

Ain't no time to slip, sit off in this foreign whip
Haters got me tryna trip, pilot like I'm flyin' the trip
AP say it's time to dip, campin', I'm tryna skip
All these checks, I'm tryna flip, know this glass, I'm tryna tip
I'm in the need of a better day
Get to the bag in a better way
Coachin' my team, better play
Know if they owe me, they better pay
D.O.A., I'm just on a different field
I know them haters sick, Dr. Phil, for real, I

Got it on my mind
Tell 'em they could meet me at the top, man
I ain't gon' lie
Way I'm havin' it, it make 'em wanna block me
I'm on my time
Hustle like I'm never gon' stop, man
Why they keep lyin'?
Got 'em callin' me, know I got it on me

Callin' me, I got 'em callin' me
So I ride with it on me
Now they callin' me, yeah, they callin' me
Know I got it on me
Why they callin' me? Yeah, they callin' me
Know I got it on me
Know I got it on me

I be another level, feelin' like I'm high
I don't even smoke, talkin' like I'm somewhere in the sky
Like why they even try? Blockin' me from what was mine
I don't do no backin' up, relocate the spine
I was here to hustle mine, catch a play and bust it down
Me not winnin', you out your mind
Got you mad, took your shine
Just know me, I gotta climb
Can't be seen, niggas blind
Like Deion, in my prime
Got no motion, niggas drown
I'm just here to celebrate while they full with hella hate
Everybody hella fake, sell they soul to get a plate
Niggas can't stand me, wanna see me somewhere fucked up
Niggas win and they act, wasn't for long, they just lucked up
All this ice I wear got me feelin' like I'm Vezzo
All this ice I wear got me feelin' like I'm Vezzo
Bag it like I'm Jeff, call them niggas call me Bezos
Bag it like I'm Jeff, I guess I'm Bezos

Got it on my mind
Tell 'em they could meet me at the top, man
I ain't gon' lie
Way I'm havin' it, it make 'em wanna block me
I'm on my time
Hustle like I'm never gon' stop, man
Why they keep lyin'?
Got 'em callin' me, know I got it on me

Callin' me, I got 'em callin' me
So I ride with it on me
Now they callin' me, yeah, they callin' me
Know I got it on me
Why they callin' me? Yeah, they callin' me
Know I got it on me
Know I got it on me

Callin' me
Callin' me
Yeah, they callin' me
Why they callin' me?
Callin' me
(Yeah, I got 'em callin' for me)
