# Feel Like Tha Water

**Trae**

Oh, yeah, we back again
Uh
Truth

Ain't no pretender
Yeah, the hate got me cold like the winter
Get the money, no different agenda
I'm ballin' everywhere like I was a Seller
Why your woman keep callin'? She know when I hit it, I'ma do the dash, Spinner
Throw the dub in the air like a winner
Talkin' beef, I'ma send it for dinner
I'm in this bitch tryna go in
All that barkin' at me, it ain't no end
Know if I send a wave, it ain't no end
Yeah, I'm worth twenty mill' on the low end
If it's up, nigga, run up the score then
Put this bitch to your door, let it blow in
You get hit, bitch, you know where you go then
If you lookin' for him, let the GOAT in
Niggas say that somebody gon' make an example and try
Know if he reachin' at me, he gon' die
Feel like you 'bout it, then let it apply
Put that on me, we not lettin' it fly
Back to back foreign whips heavy, whole ship lookin' like a dealer
All white floors, chinchilla
Hometown pick, no litter
Get this price
Move with it like I roll these dice
Like I roll these dice, I done froze this ice
Shit get nice and I'ma spin that twice
Lowkey, but I'm runnin' my nights
Just do it, nigga run in my Nikes
Real life, I don't do it for likes
Top game, nigga, check my heights
These niggas, I ain't feelin', ain't nobody real as me
I'm gon' be just who the fuck I want, ain't nobody finna do it like me
Yeah, if they wanna try, run it
I got the drum and it's holdin' a hundred
I got this piece and it's worth 'bout a hundred
Feel like I'm Cash Money how I stunt it

I'm the wave, feel like the water
All that hate, get it in order
I am him, I put that on my daughter
I'm a movie, so get a recorder
See this whip? I just spent 'bout a quarter
I made work counterfeit like the border
Can't get bigger than me, niggas shorter
No, this bitch I got, you can't afford her
I'm the wave, feel like the water
All that hate, get it in order
I am him, I put that on my daughter
I'm a movie, so get a recorder
See this whip? I just spent 'bout a quarter
I made work counterfeit like the border
Can't get bigger than me, niggas shorter

I'm the wave, I feel like the water

I'm the wave, I feel like the water
