

# Fuck Wit Me

Trae

I know you nasty  
You ain't gotta lie  
You ain't got to hide no more I  
As long as you (you)  
So fuck with me  
You know you want to fuck with me  
You mami fuck with me  
Fuck with me

They say life's a circus if you don't fuck with me  
Cause I be on that shit that you can't show  
I know you have heard it all but I'm a true for real  
That's been lifted before yea I got game  
But see game is cool I only play to win so  
I never been no loser why trip about it  
Go pop a spot you little bitch out the way  
They leave or choose  
Look look I ain't trying to bring stress to your life  
I was here to bring the best to you  
I know you love when a real nigga next to you  
Top notch I'm a bring best to you  
I'm going to let you be free I'm not going to lock you down  
They been knocking you up I'll be knocking you down  
Even if you got a dude I'm the only one to find that will  
Not make a sound

I know you nasty  
You ain't gotta lie  
You ain't got to hide no more I  
As long as you (you)  
So fuck with me  
You know you want to fuck with me  
You mami fuck with me  
Fuck with me

Late night king freak penetrate her  
These bad bitches my business major  
No pillow talking just do a phrase  
And let the word finesse you like a razor  
You say you not freaky I do not agree  
Look whatever you do is staying with me  
I want you come ride it like you have no brakes  
I would give you the business you get that for free  
I know you nasty ain't you  
You probably going to stash me ain't you  
You trying get the stick  
Probably think you going to crash me ain't you  
I tell you I'm not going to be easy girl  
I'm cold somebody better sneezing me  
I'm the man and you ain't got a lot  
And the time a lot of bitches trying to freeze

I know you nasty  
You ain't gotta lie  
You ain't got to hide no more I  
As long as you (you)  
So fuck with me

You know you want to fuck with me  
You mami fuck with me  
Fuck with me

Go ahead and come inside with me  
Fuck pride stop trippin  
You might as well fuck with the king  
With these sucker niggas they slippin  
I'm not here to speak the past I'm the  
Future like future and as I recruit you I'm a kill it  
Employ me the shooters get it  
I got a pipe game like mr fix it  
Why miss out why would you risk it  
You ain't gotta tell me I'm about that business  
I'm incredible go ahead and list it  
Come fuck with me  
I'm fly as Jordan in this prime  
I'm a little cocky girl but don't pay it no mind  
I'm still real

I know you nasty  
You ain't gotta lie  
You ain't got to hide no more I  
As long as you (you)  
So fuck with me  
You know you want to fuck with me  
You mami fuck with me  
Fuck with me
