

Intro (Tha Blackprint)

Trae

Get sick of this shit (get sick of this shit)
Get sick of this shit (get sick of this shit)
But I'm not gonna quit (I'm not gonna quit)
I've come too far (I've come too far)

Ladies and gentlemen
I'd like to welcome you out
To a special moment
A once in a lifetime moment
You know
That moment when you got a nigga out
That moment when you leave a nigga for dead
And he still rise tall
I mean this is that moment
Yet before it you have
To triumph it
The legendary Trae Tha Truth
And what you are tuned to
It's some of the finest street music on the universe
This right here the blackprint
Now turn the volume up a lil bit
Now turn this shit up louder
So we'll mess it to this music nigga
Man we're better than that, rate the situation
But yours truly, DJ Scream
So without further delay
Trae Tha Truth
Gang of the motherfuckin' streeters
ABN qwell
We were sent to you in a blackprint
Let's go

Get sick of this shit (get sick of this shit)
Get sick of this shit (get sick of this shit)
But I'm not gonna quit (I'm not gonna quit)
I've come too far (I've come too far)
