Trae

Mama  
I gotta hit the truck  
Bump another day  
Wanna walk away  
But trust me  
It's gonna be okay  
And, baby, yeah  
I know that I'll be strapped up everyday  
It's a part of the game  
But trust me  
I'mma be okay  
Just give me one more day  
Just one more  
(Day)  
One more day  
Give me one more day  
That's all I need  
One more, yeah

(Give me one more day)  
Ain't nothin' promised to make it  
Mama, no need to panic  
I'm tryin' to get to the money  
The struggle is cinematic  
I just need 24 hours  
Tryin' to finish what I started  
Conversin' with these half nuts  
City of broken hearted  
At times you say I'm dead wrong  
I'm just tryin' to get that house for ya  
I remember days ahead  
Then nothin'  
I'm gonna work it out for ya  
(Work it out for ya)  
I've never been a loser  
I'm just tryin' to provide  
I heard the road got kinda rough  
I'm just here for the ride  
This pistol loaded  
Only 'cause these niggas  
Broke and jealous  
Shit, I was broke as hell  
Just sussin' for a fortune tellers  
Never depend on what these niggas do  
Do yourself, and I been doin' me  
Around the clock like it was nothin' else  
This money comin'  
Like a rumor full of bad news  
I gotta get it  
While I'm still holdin' my last spoons  
(Last spoons)  
Ain't no losin' my mind  
Even if I'm losin' mine  
I'm out tellin' it  
As we speak  
No point in losin' time

Mama  
I gotta hit the truck  
Bump another day  
I wanna walk away  
But trust me  
It's gonna be okay  
And, baby, yeah  
I know that I'll be strapped up everyday  
It's a part of the game  
But trust me  
I'mma be okay  
Just give me one more day  
Just one more  
(Day)  
One more day  
Give me one more day  
That's all I need  
Give me one more day

I'm searchin' for better days  
Tryin' to get back on track  
Watch over my kids for me  
In case I don't make it back  
I knew it'd be hard to sleep  
Pray we goin' make it through it  
You say you want somethin' greater  
One day I'mma take you to it  
Lost in the city  
Takin' precaution  
Haters on radar  
(Radar)  
I know I ain't exempt  
Slippers count  
That's why I stay far  
I don't plan on  
Lettin' 'em get the best of me  
Not today  
Fight her 'til it's over  
On everything, I'mma make her wait  
(Yeah)  
Somebody goin' give me this  
I feel like I'm built to get it  
Nobody mess this up  
We make it  
Then I'm goin' quit it  
I know my brother doin' life  
That's your oldest son  
And Lowry died when I was young  
That's the coldest one  
(Coldest one)  
Gimme a pass  
I gotta handle what  
I came to do  
This one for the family  
But on top of that  
It's me and you  
You told me have a plan  
And, sis, I do  
I gotta see it through  
Mama, please forgive me  
For everything  
I pray you do

Mama  
I gotta hit the truck  
Bump another day  
I wanna walk away  
But trust me  
It's gonna be okay  
And, baby, yeah  
I know that I'll be strapped up everyday  
It's a part of the game  
But trust me  
I'mma be okay  
Just give me one more day  
Just one more  
(Day)  
One more day  
Give me one more day  
That's all I need  
One more, yeah

Listen, please forgive me  
I know I said it would be different  
But I get up out that prison  
I would never start back up trippin'  
Never  
And I mean it  
On my kids, I was with it  
Many tried, but I swear  
My pride died last Christmas  
She ain't even bought a tree  
Bought no motherfucker's presents  
No, my kids special  
They deserve to get whatever  
(Babies)  
Yeah, all that pressure  
I had to go through what I know  
Once I get us out this  
I won't do this shit no more, baby  
You and mama stop stressin'  
And just trust me  
I'mma be okay  
I'm a veteran  
This nothin'  
Soon as we get a plate  
I swear to God I'll quit hustlin'  
Shit, I gotta do somethin'  
Pray for me

Mama (please)  
I gotta hit the truck  
Bump another day  
I wanna walk away  
But trust me  
It's gonna be okay  
And, baby, yeah  
I know that I'll be strapped up everyday  
It's a part of the game  
But trust me  
I'mma be okay  
Just give me one more day  
Just one more  
One more day  
Give me one more day  
That's all I need

One more, yeah  
Yeah, yeah, yeah, yeah
