

No

I can't help it if they ain't havin' no motion

We ain't havin' no problems with that

I'm feelin' like it's time to take another flight overseas  
Know when niggas rich, it ain't no rules, I'ma blow the fees  
Hella rare, different type of Jordan, do a show in these  
Told Nic wanna wear my Cuban just to go with these  
Jumped in something elegant, played with the trunk, elephant  
Hustle, never be hesitant, don't fuck with niggas, celibate  
Hustled like I never had it, went and bought a store today  
Haters on the sideline counting pockets, won't go away  
I invested money where them niggas never took a chance  
Funny, niggas had it in they face, never took a glance  
Fifteen-hundred-dollar jeans, nigga, check the pants  
Better know I get it rockin' like I'm set to dance  
Business after business got me rappin' on the sidelines  
Foreign after foreign, guess it ain't no way to hide mine  
You ain't least two hundred, ain't no point to pull on side mine  
Costs about a nickel for the day just to ride mine

This that Maybach music, payback music  
Laid back music, talkin' 'bout play back music  
I'm just sittin' back, on a mission, this ain't cap music  
I'm talkin' straight fact music, on my same act music  
This that Maybach music, payback music  
Laid back music, talkin' 'bout play back music  
I'm just sittin' back, on a mission, this ain't cap music  
I'm talkin' straight fact music, on my same act music, uh

Niggas'd rather ride the wave, me, I'd rather take the yacht  
Money talk, let it go to work, I don't punch the clock  
Interrupt the path where I was headed, that'll get you docked  
Real life, fuck the internet, I'ma get 'em stopped  
Might be private with your woman in my penthouse  
How you mad? Your shit smaller than my rent house  
Big boy brick, emerald AP  
This ain't no NBA 2K, don't try to play me  
I maneuver in the dark, but I'm lit up like a state fair  
Niggas ain't gon' see me like they ordered off of Wayfair  
Everything 'bout me speakin' quality, hot commodity  
I mastered toxicology, I'm a star, astrology  
Four pockets full of money like I'm Lil Baby  
Lil' bitch say I'm a vibe, got me feelin' wavy  
I'm a Texas baby, it been that way since the '80s  
Chicken-fried steak, baby, can't forget the gravy

This that Maybach music, payback music  
Laid back music, talkin' 'bout play back music  
I'm just sittin' back, on a mission, this ain't cap music
