

Not In The Mood

Trae

Back in my vibe, tell me the truth
Phantom the truck, but today I'm the coupe
I feel like the man, tell them niggas salute
So we're fuckin' with slime, play me that summer shoot
If I ain't at the top, bitch I bet I'm in root
If she want smoke, I'm here to pollute
Gon' be murder the case, got me feelin' like Snoop
Way I stay with the stick, go to war like a troop
Women here for the , I'm just here to recruit
Fiji all on my neck, probably watch it pursuit
If she here for the play, let her go for a few
She might let you come back, when I feel like I'm through

Get out my face, I'm not in the mood
You realer than me? They got it confused
Back in my bag, I will not lose
If you in the way, then you gotta move
I'm not in the mood
I'm not in the mood

Sick with the views, you would think I was Drake
gave me a lake, 100K out the gate
Nigga let me be great, I'm just here for the hate
You ain't proud of me yet? Won't be takin' no break
Look I came here to chill, do not wanna be cool
I'on wanna be friends, know you watchin' my move
Youngin's say I got drip, nuff to fill up a pool
I'ma do what I want, all this money a fool
I am the king, better get it correct
I ain't come here to play, came to fuck up a check
Ain't no ridin' my wave, tell them niggas to walk
They all in they feelings, I hear all the talk

Get out my face, I'm not in the mood
You realer than me? They got it confused
Back in my bag, I will not lose
If you in the way, then you gotta move
I'm not in the mood
I'm not in the mood
