

# That's Not Luv

Trae

That's not love  
That's not love  
That's not love

I woke up this morning feeling the world forgot about me  
But then I remembered I'm the streets and there ain't no life without me  
Now what they really know about me?  
Other than the fact that I'm a asshole  
And there ain't never any bitch trying to take it up out me  
I'm in the game, so tell them niggas I'm a leave with something  
I'm half an hour past my patience, bitch I need something  
I ate niggas like they were dinner, digest them, then shit them out  
And redirect them to the glasses of a new beginning  
They say I never chill  
Why?  
I don't associate myself with other packs of gorillas  
They see this thing as the real  
So understand before I lose, I swear I'll leave them sicker  
Then when they heard the news  
That ain't love, damn

That's not love  
That's not love  
That's not love

Snakes in the grass, so I stay on the pavement  
Survived the battle, with animals and cavemen  
And dead animals and dead men  
I'm all in, and my only friend is amen  
Keep your mouth closed, you want to know why you die  
The answer's right under your nose  
In the game I don't sleep, in the game I don't cheat  
I just play my position, get MVP  
I just go and wipe the dishes till they spot free  
Trae you can count on me like one, two, three  
Keep my business in my pocket, never wash with bleach  
And I never show my ass, not even to me  
That ain't love

They been questioning if it's real, well bitch, I'm here to answer  
I'm on that shit that hit you like the last stages of cancer  
A couple decades of heal but your mind is on  
It ain't no keeping up with me, I'm in a different time zone  
If I don't rap I'm a trap  
If I don't trap I'm a slap the clip in the AK like Busta Rhymes and make it  
clap  
Yeah they told you I'm gangster, fuck what you talking about  
Ain't no rapper gone have your body still your spirit walking out  
I'm so Houston, holy AB and speak 187  
When I speak please shut the fuck up because I ain't speaking for health  
Uh, they saying Trae back in that zone  
Tell them motherfuckers they went wrong, nigga fuck love  
Shit

That's not love  
That's not love
