

# The Dead Fall

Tragic Black

We all are falling, falling, falling down  
There will be no trace of us when we reach the ground  
So far below  
It's been a long time. You can't rewind when you're hanging from the rope  
You breathe the air of the dead fall right before you go

Too much? No, it's not enough to satisfy our will  
We will reach the end before anything will kill us  
We see the chaos. We all lose control  
We have gone a long way, but we still got a long way to go

Swaying, swaying, yeah, we are hanging  
On the dead fall we are saying that  
The end will come now any day so  
We'll watch our time on Earth slowly fade away, yeah

We all are falling, falling, falling down  
There was no trace of us when we reached the ground  
We fell below  
It's was a long time. We couldn't rewind. We were hanging from the rope  
We breathed the air of the dead fall right before we fell

Swaying, swaying, yeah, we are hanging  
On the dead fall we are saying that  
The end might come now any day, so  
We'll watch our time on Earth slowly fade away, yeah
